ANNUAL REPORT

of the

Committee of Management 1935

To the Members of the Richmond Football Club,

Ladies and Gentlemen.—

Once again, your Committee places before you a review of the activities of your club for a year which has closed. This time, it is for the season 1935. You will observe from the annual report and balance sheet which you have received that, although it is not possible to chronicle the same degree of success as that which made 1934 so memorable a season, the record of the club still is one of which members may be proud, as for the ninth year in succession a place in the finalists in the Victorian Football League's annual premiership competition was achieved, and the club that defeated your team in the first final, Collingwood, subsequently defeated South Melbourne in the Grand Final, thus winning the premiership for 1935.

Before proceeding further with this annual report, your Committee desires to extend its sincerest congratulations to Collingwood, the winners of the Victorian Football League premiership for 1935, Collingwood's victory over Richmond in the final round was truly an instance of the manner in which courage, determination and skill will triumph over adversity. It will be recalled that Collingwood were weakened by the absence the whole game of one valuable defender, and that early in the first quarter another of their best players had to retire on account of a dislocated shoulder. The day was very hot and sultry and, while that is not put forward as an excuse for your team's failure, it will not be denied that the conditions had a decided effect upon the form of some of the bigger men in your team. However, that is by the way. Collingwood thoroughly deserved their success and Richmond members will not begrudge them their rightful share of praise.

As winners of the 1934 and Centenary year premiership, your club entered upon the 1935 season with high hopes for a season that would be just as successful as that of 1934. The premiership team was practically intact, and there were among the reserves recruits who were subsequently to show that they could be worthy wearers of the Yellow and Black guernsey. It was reasonable, therefore, to expect that your team's performance would be just as brilliant as was the case in the preceding year.

Unfortunately, the hopes of members were not realised, for out of 20 matches played, including two in the final round, Richmond won 13 and lost 7. It became apparent during the season that the team was not infusing the spirit into its play that made it so much to be feared in 1934. This and the loss for prominent players for varying periods through illness and other causes helped to create a condition of affairs that was not at all conducive to football of the kind that made your team so formidable a combination in 1934.

Of course, there arose the cry, "Too old," and it is to be feared that some members were misled into believing there might be truth in the assertion. It appeared to be forgotten that the average age of your players was only a few months more than 25 years, and that some of these members who were the oldest in the team were playing the best football. Your Committee ventures to say that any other club in the Victorian Football League would have been glad to have the services of some of Richmond's players who were described in some quarters as being "too old."

That your team fell from grace for a certain period during the season is true, but your Committee believes that this was nothing more than one of those unaccountable lapses that affect all football clubs at some time or other. It is certain that nobody worried more about the temporary loss of form than did the players themselves.

With 12 matches won and 6 lost in the first round, your team entered the final round in fourth place and in the first match of the final round met Carlton for the third time during the season. Against South Melbourne a week previously, two of your players, Basil McCormack and Joe Murdoch, were injured to such an extent that they were not fit to play in the all important match against Carlton. Thus handicapped, Richmond faced a task of great magnitude, for since their defeat by Richmond six weeks before, Carlton had swept everything before them. But, if some people had misgivings as to how your team was likely to fare against Carlton, the players had none. They went into the game in great heart and 50,000 people saw Richmond snatch the game in the first quarter at the close of which the scores were Richmond 7.5, Carlton 2.4. Thereafter Richmond never looked like being beaten and ran out winners with the scores 19.11 to 14.20.

It was a glorious victory, and raised hopes that your team would be able to repeat its success in the third match of the final round. As it turned out, your team's opponents were Collingwood, who already had defeated Richmond during the season, and once again proved to be the better side. Collingwood then went on to defeat South Melbourne in the Grand Final, and to win a premiership again after a lapse of five years.

Your Committee feels that it had difficulties to contend with during the season that militated against the possibility of your team attaining a higher place than it did in the premiership list. It is interesting to note, in this respect, that only four players—Perc. Bentley, Martin Bolger, Dick Harris and Jack Titus—took part in the whole of the 20 matches played by your club. Of the other players, Stan Judkins missed 12 matches, J. Baggott 9, M. Sheahan 5, Ray Martin, Kev. O'Neill and J. Dyer 4 each, and Allan Geddes 3. Doug. Strang who, it was hoped, would be a tower of strength on the forward line, broke down after playing only 5 games and took part in no further matches during the season.

Club Life-Memberships.—As a mark of long and eminent service, your club conferred on Messrs Frank O'Brien and Jack Titus the distinction of Life Members. Their achievements and loyalty are so well-known to the thousands of Richmond supporters that it would be idle to enumerate them. May they both be long spared to assist and guide the destinies of the club they have served with outstanding success over the past ten years!

Second Nineteen.—Year after year, we are pleased to report on the success of the "Cubs." Although they were not successful in reaching the final four, their performance was most satisfactory, and your Committee regrets that injuries to senior players prevented them from fielding a representative team on many occasions, which was responsible for several defeats that otherwise would have made the Cubs strong contenders for the season's pennant. In the all-important match against Melbourne (owing to the seniors' side touring Tasmania), the Cubs were compelled to field a team with only two senior reserves in M. Candy and F. Heifner, defeat for either team deciding their fate of playing in the finals, Melbourne were in the happy position of fielding their strongest team and after an interesting game displaced the Cubs from the coveted four. The loss of Tom O'Halloran's valuable services as Captain owing to ankle injury was also severely felt. Your Committee is hopeful that in the coming season they will be in a position to assist the enthusiastic officials controlling the Cubs to realise their ambition in winning the pennant for 1936.

The appointment of Tom O'Halloran as Coach for the past season was indeed a wise and popular choice. Tom proved a very enthusiastic and capable official, and your Committee is confident that several players of the Cubs will demonstrate this coming season that they are strong contenders for the replacements in the senior team, a tribute to the splendid coaching they receive.

Your Committee has pleasure in conveying its heartiest thanks to the Cubs' officials, Messrs. C. H. Hall (President), J. Cook (Hon. Secretary), B. Cox (Hon. Treasurer), and members of the Committee and staff for the valuable work so successfully performed.

The Cup donated by your club for presentation to the Cubs for the best and fairest player for season 1935 was won by W. Garvie, to whom we extend our congratulations.

Tasmanian Trip.—Prior to the commencement of the playing season, your Committee decided to give the players an interstate trip, same to take place during the period that the home and home matches were suspended for the V.F.L. teams to play matches at West Australia and South Australia. With the idea of assisting the game in Tasmania, your Committee wisely decided to visit that well-known and hospitable isle. The party, numbering 45, started off on July 31. Arriving at Launceston after a splendid voyage, the party immediately entrained for Hobart where eight happy days were spent. All the tourist spots were visited, including Brown's River, Mount Wellington, New Norfolk, Port Arthur. The trip to The Springs and Mount Wellington was voted the best trip owing to the fact that we were fortunate that the fall of snow was very heavy, in fact, we were unable to reach the top of the Mount. Several of the party had their first experience of snow falling. The hearty handshake of goodwill and hospitality was abundantly received in every quarter. The match against the Tasmanian League was a very close and exciting one and was much appreciated by the large crowd, the result was in doubt until the last few minutes. The touring team won by a narrow margin. Arriving back in Launceston, further trips were undertaken, and a match played against the Northern Tasmanian Association resulted in a win. The display given by the team was favorably commented on and the opinion expressed by League officials that the exhibition of football was the finest given on York Park. A great compliment much appreciated by your officials and playing members.

The return trip on the "Taroona" proved to be most enjoyable, the party reaching home on August 13 after an absence of 13 days.

The trip was most enjoyable and was voted by the party to be well up to the standard of the four previous trips to Tasmania. The conduct of the party was highly commended by letters from the following: Tasmanian Football League; Northern Tasmanian Football Association; Mr. Evans, captain "Taroona"; Cornwall Hotel and Enfield, Launceston; Carlton Club Hotel, Hobart.

Our sincere thanks for many acts of kindness received are extended to Messrs. Miller and Cotton, of the Tasmanian League, the President and Mr. Young, Secretary, Northern Tasmanian Association.

During our stay in Hobart the party was indeed well received by several clubs, both football and sporting, and again we desire to express our appreciation to the parties concerned.

During our short stay in Launceston, we were fortunate in again meeting real supporters of the club in Mr. and Mrs. Tom Assender, who added to a most enjoyable holiday by their generosity and enthusiasm, to the above happy couple and their friends, together with the various football clubs and sporting bodies, we express our deep appreciation.

The trip was ably managed by Messrs. J. J. Smith and J. D. Langdon, who were the recipients of presentations from members of the party.

The trip was made possible through the splendid services of Messrs. Maurice Sheahan, Eric Zschech and Jack Dyer, with their secretaries (Messrs. W. Mintern, C. Callander and F. E. O'Brien) and committees, in raising funds per medium of a "Popular Player" competition, and to Mr. H. L. Roberts who raised £50 towards the trip-away fund.

Captain and Coach.—Your Committee, after last season's brilliant performance of winning the premiership, had no hesitation in again appointing the successful coach, P. Bentley, to the same important position for season 1935. Perc. again proved very successful and your Committee have the utmost confidence in his ability. The confidence of the players in their coach was reflected when they unanimously elected him captain for the fourth successive season, a compliment well earned and fully justified by results. During Perc.'s four years of captaincy, the club has been very successful in gaining two premierships, runners-up and third.

Vice-Captain.—Allan Geddes received the same compliment as his captain in again being elected to the position of vice-captain, a tribute to his outstanding skill and popularity, both these fine players are held in high esteem by all associated with your club.

Richmond District and Other Junior Clubs.—We regret that the enthusiastic and hardworking officials of the Richmond District Club report a bad season, and it is the considered opinion of their committee that, unless a determined effort is made by the senior body this coming season, the present unsatisfactory state of affairs will continue. It is the desire of the "Districts" that the seniors appoint a coach (a local player for preference) and as far as possible to arrange for some interchange of reserves, or on the other hand to influence juniors of outstanding ability to join the above club with the hope of establishing a further recruiting ground for the senior body. Your Committee has promised to meet the "Districts" at the earliest opportunity and it is confidently hoped that arrangements will be made for the mutual benefit of both clubs.

It is pleasing to report on the success of the South Richmond Club on winning the coveted premiership from

another local team, the Richmond City, both teams were coached by ex-Tigers in Jock McConchie and Jos. Harrison.

Hearty congratulations to the winners and a meed of praise to the losers. The officials of the South Richmond Club are to be complimented on the efficient manner in which the affairs of the club are managed.

Other local clubs to report successful seasons are: Burnley, Richmond Amateurs, Mr. C. C. Mullen's Team and Mr. Eddy's Juniors who again won the pennant. Donations were made to the above clubs.

Donors.—The club again desires to record its sincere thanks to the many donors who, year after year, by their cheques, trophies and goods, assist to lighten the burden of finance by their generosity. The Committee acknowledges with thanks the various amounts and goods received and trusts that the club may merit the honor of their continued support and interest.

Trainers and Staff.—As usual, Messrs. Ern. Saunders (head), R. Devall, J. Watson, M. Noble, T. Webster, W. Thurley and L. Bolitho performed their duties, as members of the training staff, with enthusiasm and efficiency. We convey to them our best thanks.

C. Callander, as property steward, and Lou Cameron, as doorkeeper, performed their respective duties in their customary manner, and over a number of years have rendered splendid service.

T. Carswell (bootstudder) and his assistant, H. Vine, attended to the players' wants so far as their boots were concerned, and, they, too, know their job. Our best thanks are due to them once again.

General—Continued

Your club gratefully acknowledges the help and assistance rendered by Mr. H. H. Bell in placing players in employment.

Congratulations.—To the Collingwood Football Club we offer our hearty congratulations on winning the premiership for season 1935, their form in the final and grand final matches proved conclusively that they were the best team in the League.

To Carlton and South Melbourne, the other finalists, we also extend our congratulations.

To Haydn Bunton, of the Fitzroy Club, for winning the coveted Brownlow Medal for the third time, a truly wonderful effort, we convey our sincere congratulations.

To Mr. Leo. O'Brien and Ern McCormick we offer our congratulations on their selection to represent Australia in the series of Test Matches against Africa, and we wish them and the team every success.

To J. Titus, K. O'Neill and C. Hall, who have joined the large army of benedicts, we extend our congratulations, and we desire to wish their fair partners and themselves our very good wishes for their future happiness.

To Mr. Bob Rush (a member of the well-known and respected Richmond family of sportsmen) heartiest congratulations on his election to the position of President of the Australian National Football Council, a compliment to a fine sportsman and a capable administrator.

Victoria's Most Popular Player.—Your Committee tender sincere congratulations to Ray Martin on his selection as the Most Popular Player in the Victorian Football League. In winning the handsome trophy presented by 3 K.Z., Ray has justified the opinion of Richmond supporters, that he is a real local champion, and is worthy of the highest honor in the football world.

Ladies' Committee.—Your Committee is fortunate in having the assistance of a fine set of ladies to help at all club functions and a full measure of credit is due to the following: Mesdames Tom O'Halloran, A. King, Andrews, and Misses Irene O'Halloran and McIntyre.

Mr. and Mrs. Ern Taylor rendered valuable assistance at dances, etc., and your club is deeply appreciative. We regret that Miss Hilda Curtis resigned from this committee during the season; Hilda was indeed a great worker in the interest of the Club, and your Committee wish her happiness and prosperity in her future engagement.

Ticket Sellers.—It is pleasing to report on the satisfactory manner in which the Treasurer handles the sale of membership tickets at the commencement of each season. Realising the limited time at the disposal of the ticket sellers to obtain names and addresses from ticket

purchasers a high standard of efficiency is required. The following gentlemen are deserving of your best thanks for the above highly satisfactory state of affairs: Messrs. P. Langdon, A. V. Barwood, (late) W. Hockey, Tom O'Brien, R. Johnson, Les Gordon, T. Egan, A. Knight.

League Delegates.—Mr. H. L. Roberts and J. J. Smith were again appointed to represent your Club on the Victorian Football League Your best thanks are due to both for the great amount of time devoted to the interests of your club and the game in general. Mr. Roberts was elected senior vice-president, and chairman of Finance Committee, of the Victorian Football League.

The duties of a League Delegate has increased considerably over the last few years and members will be surprised to learn that during the busy period, delegates attend League Meetings on three or four occasions weekly.

Long Service Certificates, Presentations and Trophies.—At the annual meeting opportunity will be taken to present long service certificates to Jack Titus, who has completed ten years' service, and to the following five years' players: J. Dyer, Ray Martin and Douglas Strang. Congratulations to all.

During the year, two more players (J. Murdoch and J. Titus) joined the select band who have played 150 games or more for the Richmond Club, a fine and rare achievement.

M. Bolger, F. Heifner, K. O'Neill, M. Sheahan and E. Zschech this season had the distinction of joining the players who have played 100 games with your club. Suitable presentations have and will be made to commemorate the event.

Obituary.—Your Committee was grieved to learn of the recent sad death of Mr. W. Hockey, a popular fellow-committeeman for the past four years. Quiet and unassuming, he was always deeply interested in the club's activities and players, and acted as social secretary of the club for some time and, as a member of the finance committee, rendered yeoman service. He represented the senior body on the Richmond Cricket Club Committee where he was much appreciated for his honesty of purpose.

We regret to record the demise of the following during the past season and to the sorrowing relatives we express our deepest regret: Mrs. Herbert (mother of the president), Mrs. Mintern, Senior, Mr. Callander, Senior, A. Elder (life member), Geo. Bayliss and Mrs. Cooper, mother of Mr. J. D. Langdon (Treasurer).

Richmond Cricket Club.—Your Committee would like to draw your attention to the fact that the agreement entered into by your club with the Richmond Cricket Club, re the occupancy of the ground, expired at the end of season 1935. With the object of discussing a further agreement, your Committee appointed a sub-committee, consisting of Messrs. Herbert, Roberts, O'Brien and the Secretary, to confer with the Richmond Cricket Club's executive re the future occupancy of the ground. Several conferences have been held and, although agreement was reached on several matters, it is to be regretted that on the main proposition (better accommodation for members and the general public) the offer of the Cricket Club was unsatisfactory. The interest of your club will be guarded in the future agreement and an effort will be made to accept the offer which, in the opinion of your Committee, is most acceptable not only for the present, but for the future requirements of the Richmond Football Club.

Schoolboy Football.—Your Committee is pleased to report that satisfactory arrangements have been made for the staging of schoolboy matches prior to the usual home and home matches. It is the considered opinion of your Committee that every effort should be made to foster in our local schools a real Australian game that will permit of healthy exercise under favorable conditions, that will eventually prove beneficial both to mind and body to the large number of boys participating in our great game.

Thanks are extended to Mr. W. Rennie who was appointed by your Committee to arrange matches for his local team. Visits were made to Hurstbridge and Geelong and were much appreciated by all concerned.

Congratulations to Mr. W. Rennie on his appointment as Manager of the Victorian Schoolboys. Your club, to mark the occasion, made Mr. Rennie a small presentation.

General.—Your Committee again desires to express their sincere thanks to Mr. Tom Trowbridge for the many acts of kindness extended to players and officials during the past season. Tom is indeed a real Tiger supporter and his many artistic gifts are appreciated by all concerned.

To Mr. R. Lean we are indeed grateful for his usual generosity in granting your club the use of Olympic Park for training purposes gratuitously. Only those closely connected with administration of your club realise the worth of the above sporting gesture.

To Mr. Syd. Sherrin we extend our best thanks for his generosity in presenting to J. Titus the handsome trophy to commemorate his feat in establishing a club record of 80 goals for a season. A great sport is the genial Syd., respected by all connected with our great Australian game.

To our old friend, Bill Higginbotham, for his help and assistance which is always freely given in the interests of the players, we extend our deep appreciation.

To Mr. Beau. Wallace, trainer of Hawthorn, and his assistants, together with Mr. Lee, of the North Melbourne Club, for their valuable services in the final series, your Committee is indeed grateful.

Your Committee and Secretary appreciate the untiring services rendered by Mr. Bruce Edmond, Assistant Secretary. Last season was indeed a busy one for the Assistant Secretary for the reason that during the period that the Secretary was in Tasmania, together with the many Saturdays in search of new players, the match arrangements were carried out with complete satisfaction by Mr. Edmond.

Selection and Finance Committees and Treasurer.—We are pleased to report that your Treasurer, Mr. J. D. Langdon, has completed his eleventh year this season, thereby establishing a club record in this most important and responsible position. In his position he is called upon to make suggestions for the guidance of the Committee and the straight-forward and capable manner with which these are put up by him help the Committee to arrive at a sound decision. He, therefore, is deserving of your warmest thanks for the manner in which he carried out during his eleven seasons the many duties attached to his office.

Your Finance Committee, consisting of Messrs. O'Brien (chairman), Hockey (deceased), Mintern, Hon. Treasurer and Hon. Secretary, guarded the club's finances and spent many hours in arriving at decisions of expenditure, and are certain that all monies were expended judiciously and in the best interests of the club.

The Selection Committee, Messrs. H. L. Roberts (chairman), F. E. O'Brien and H. Cox, Coach and Vice-Captain, gave earnest thought to the important duties which confronted them throughout the season, and deserve praise for their efforts.

Retirements.—Members will regret the retirement of one of the most outstanding players your club has ever produced, in Allan Geddes. This great player has rendered eleven seasons of excellent service and played in 183 games with your club. During that period, he has represented his State in carnival matches with great success as a wingster. Allan's ability may be well described by quoting the opinion of Mr. Horrie Clover, the well-known football authority, when he stated that "Geddes was one of the finest wingmen in the game," an opinion endorsed by the thousands of Richmond supporters. Allan's ability and brainy play was speedily recognised by his club-mates when they elected him captain for the three successful seasons of 1927, 1928 and 1930, and vice-captain in 1932, 1934 and 1935, a compliment to one who played the game both on and off the field with credit to himself and prestige to your club. He leaves the playing arena with the best wishes of players, officials and supporters, and we trust that he will be long spared to impart his knowledge of our great game to the future champions of his old club.

A presentation will be made to Allan at the annual meeting to commemorate his retirement as an expression of appreciation.

Retirement of President.—We regret to report that your esteemed President, Mr. B. V. Herbert, decided he would not seek re-election this coming season. Although strong representation was made to him to reconsider his retirement, Bernie reluctantly adhered to his previous decision. Richmond is indeed proud of the services rendered by the President, both as a player and administrator. His record with your club is as follows: Joining the Club in 1909, he was a playing member for 13 years, having played 198 games, 118 being consecutive. During that period he was elected to the position of Captain, Vice-Captain, and Players' Representative on the Committee. He represented your Club in Carnival and interstate matches. Elected to the position of President in 1932, he proved an immediate success. By his enthusiasm and loyalty to his players and officials he, speedily won the confidence of all concerned, with the happy result that during his term of office as President (for the past four years), your Club was successful in winning two Premierships, Runners-Up and Third. Mr. Herbert's association with your Club is unique, he has been associated with the four teams than won the Premiership for Richmond while a member of the Victorian Football League. It is only fitting that with his experience and great knowledge of the game, his services as a coach were eagerly availed of, and, transferring to Ballarat Imperials, he succeeded in imparting the finer points of the game, with the result that "Imps" won their first premiership in 17 years. Ballarat League in turn appointed Berney captain of the combined team to meet the Victorian Football League; again his great leadership was exemplified in the defeat of the League team after a successful period of victories of 16 years. Truly, a remarkable record cherished by your President and appreciated by not only Richmond supporters, but the whole of the football enthusiasts in the metropolitan area. A presentation will be made at the Annual Meeting to commemorate his long association with your Club.

ADDENDUM

It gives me great pleasure to add a few statements re the arduous and energetic work of our Secretary, Mr. Jack Smith. He carried out his task to the satisfaction of all concerned, and he was at all times tactful and courteous. His one ambition is to see your Club at the top, and his enthusiam is unbounded.

B. V. HERBERT, President
